Phone: 9523507002 || Email: adarshsingh9818@gmail.com

Objective

Passionate and dedicated software developer with a strong foundation in front-end web development. Skilled in HTML, CSS, JavaScript, and problem-solving. Eager to contribute to impactful projects and continuously improve coding skills.

Education

B.Tech in Computer Science

Maharishi University of Information Technology, [*Expected Graduation Year: 2027*]
(ongoing)

12th Grade	Passed in 2023
10th Grade	Passed in 2021

Skills

- **Programming Languages:** HTML, CSS, JavaScript, Python, C
- **Web Development:** HTML, CSS, JavaScript, React.js (Basic Knowledge), Bootstrap
- **Tools & Technologies:** Git, GitHub, Visual Studio Code, Node.js, Power BI, SQL
- **Soft Skills:** Problem Solving, Time Management, Communication, Adaptability
- **Database:** MySQL, SQLite, Data Visualization with Power BI
- **AI Tools:** ChatGPT, Data Analytics

Projects

1. Portfolio Website

Technologies Used: HTML, CSS, JavaScript

Description: Developed a personal portfolio website to showcase skills, projects, and resume. The website includes sections such as About Me, My Skills, Projects, and Contact.

Internships / Work Experience

Web Development Intern Website Maker | May 2024 - June 2024

- Contributed to the development of responsive web applications using HTML, CSS, JavaScript, and Bootstrap.
 - Collaborated with the design team to create intuitive user interfaces for various client projects.
 - Worked on debugging and improving web applications for better performance.
-

Certifications

- **Fundamentals of Python Programming – iHUB Divya Sampark, IIT Roorkee | Completed:** December 2024
 - **AI Tools Workshop – Be10x | Completed:** January 2025
 - **Data Analytics with Specialization – Completed:** February 2025
 - **SQL Workshop – CloudyML | Completed:** March 2024
 - **Project Management – Learntube | Completed:** October 2024
 - **Power BI for Data Analytics – Tech Tip | Completed:** December 2024
-

Achievements

- Completed the **Project Management Course** – Gained hands-on experience in managing tech projects effectively.
 - Received recognition for the successful completion of **Web Development Projects** in the internship at Website Maker.
-

Languages Known

English – Fluent

Hindi – Fluent

Extracurricular Activities

- Participated in **Hackathons** and coding competitions, showcasing problem-solving and innovation.
- Active member of the university **Tech Club** collaborating with peers on coding and web development initiatives.
